

Uploading a Web Page to Your Student Web Folder Using FTP

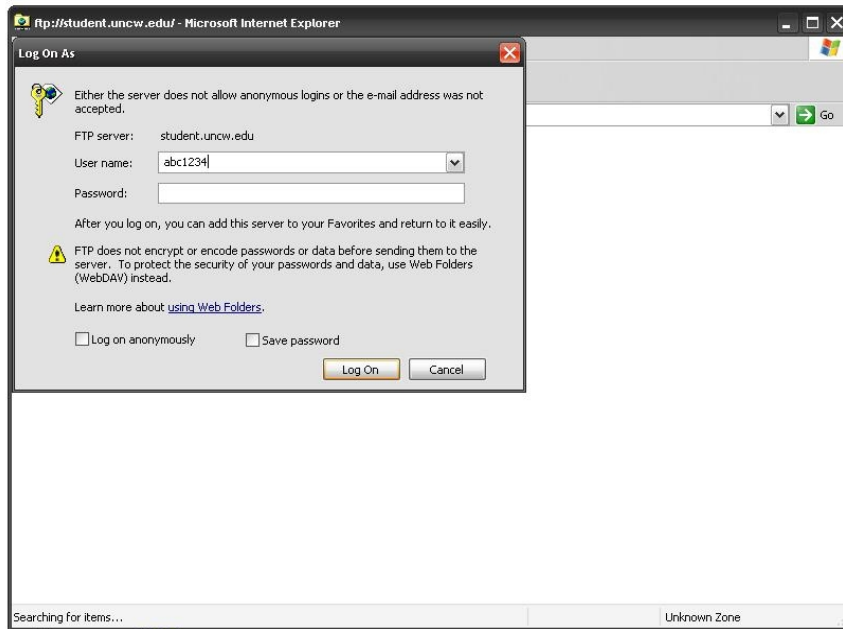

- Open Internet Explorer and type “ftp://student.uncw.edu” (without the quotes). You will then be prompted to log in. Please use your UNCW e-mail ID and e-mail password.

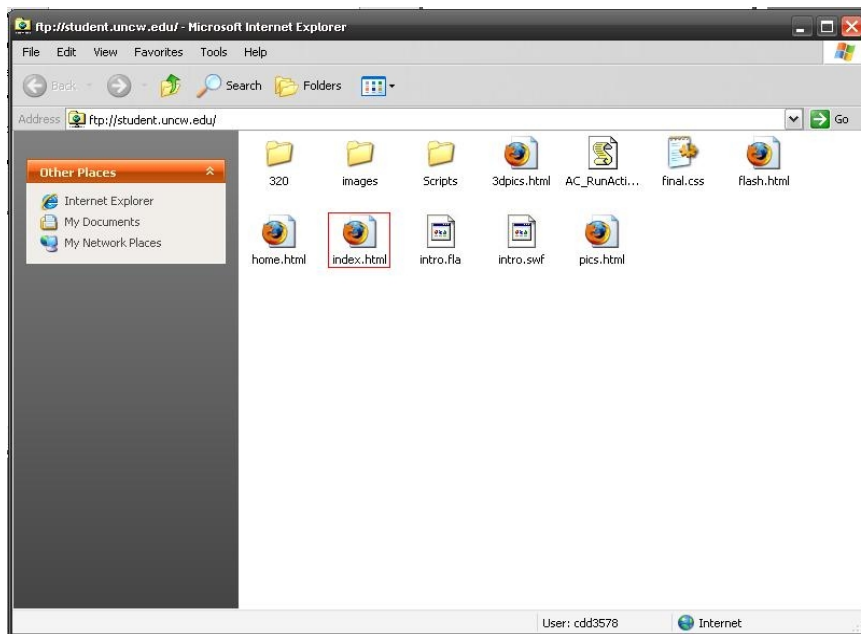

- Once you log in, you will be taken to a screen with a list of the directories of all student web folders. To view the FTP site in Windows Explorer, click on the “Page” menu, then select “Open FTP site in Windows Explorer”

- You will be prompted to log onto the FTP site again. Use the same UNCW e-mail ID and e-mail password.

- You will now see your files in Windows Explorer view. Please remember in order to view your site, you must have a page titled "index.html"

Please note: These instructions are for Internet Explorer 7.0 or greater.
If you have any problems or questions about these instructions, please feel free to contact the Technology Assistance Center (TAC) at (910) 962-4357 or at tac@uncw.edu
