

Organization Committee Mission and Purpose

The mission of the organization committee is to facilitate the administrative processes to effectively change all components within the Banner systems to flow to the necessary changes to appropriate areas and ensure the organizational changes are made throughout the Banner systems (Finance and Human Resources) which includes, but is not limited to Banner Funds and Banner positions. Guidelines to assist with organizational changes

1. Complete the Organization Change Questionnaire below to determine the extent of the organizational change. This should be done as soon as the department, area or unit is aware of the pending changes.
2. Contact the Org Committee Chair to meet with the Org committee. The org committee meets each month on the 2nd Tuesday at 8:30am.
3. Attendees are encouraged to bring their existing org charts and a new org chart with changes. If there is not a final approved org chart at this time, a proforma org chart will suffice for planning purposes.
4. Upon meeting with the core org committee, committee members will evaluate what other meetings and documents will be needed and help facilitate the process.
