

College of Arts & Sciences Presents

## *Romancing the Brain*

**It's complex, logical, intuitive, creative and often unpredictable.**

**How does your brain function?**

Join UNCW faculty experts for an evening of discussion about the brain and perspectives on it from academic disciplines in the humanities, fine arts, social sciences and sciences.

**Tuesday, February 21**

**7 – 9 p.m.**

**UNCW's Kenan Hall 1111**

FREE and open to the public  
Parking available in Lot B

Accommodations for disabilities may be requested by calling 910.962.3111 at least three days prior to the event.
