

Jazmin Rios

Class of 2017

Major: Psychology

Minor: Biology and Neuroscience

Heritage: Mexican

Hobbies: I enjoy being home with my family, and I like to learn about programming and just learning more about how to create websites.

Organizations Involved:

I am on the e-board for UNCW Sigma Alpha Lambda and UNCW Habitat for Humanity. I am a member of Psi Chi, and I volunteer at the Cape Fear Clinic.

Where do you work?

I am working at University Neuropsychology as a testing technician.

What are your top 3 accomplishments?

1. Having the opportunity to work with the president of the American Psychological Association - Dr. Antonio E. Puente.
2. Receiving the 2016-2017 Williams-Kowal undergraduate research award.
3. Getting accepted into the Master's Program in the Psychology Department at UNCW with a concentration in Psychological Science.

What's after college?

I will begin working on my master's degree this fall. Afterwards, I plan to pursue a PhD - focusing on neuropsychology.

Dream job?

My goal is to be involved in different aspects of psychology (clinical work, forensic cases, and research). I would like for my work to contribute to culture-specific psychological tests and norms.

Any advice to the generation rising at UNCW?

Take time to reflect on your accomplishments and give yourself credit for it. It is easy to fall into a situation where you feel like you are not doing enough - even when you are.
