Where do you work?

I am an Insurance Intern at Live Oak Bank.

What are your top 3 accomplishments?

1. Being a first generation student graduating with \$0 in student debt.
2. Being able to work with a team of students to manage the investment fund of \$1.4 million by valuing equities in the investment portfolio and presenting to the board.
3. Making my family and friends proud. It feels good to hear kids say they want to be just like you when they grow up.

What's after college?

I am super grateful and humbled to say that I will be starting my full-time position in July with Live Oak Bank! Beforehand, I really want to travel all of May and June, but I am not sure where the funds will be coming from.

Dream job?

My dream job is to be a Diplomat for the U.S. - Mexico Relations through the Department of State or have Kim Kardashian's job where they pay me to exist.

Any advice to the generation rising at UNCW?

Enjoy your college years, responsibly. Live every day to the max as if you deliberately come back to this one day, to enjoy it, as if it was the full final day of your extraordinary, ordinary life. About time.
