When a holiday falls on Saturday, the University recognizes the preceding Friday;
when a holiday falls on Sunday, the University usually recognizes the holiday the following Monday.
Two of the holidays indicated above (Good Friday and Christmas Day) are regarded as religious holidays.
An employee wishing to observe different religious holidays may request a "holiday exchange."
If operational requirements permit, the employee may work on the holiday observed by the University
in exchange for a day off to accommodate a religious holiday of the employee's preference.
If operations do not permit working on the holiday observed by the University,
the employee may take vacation leave on religious holidays of preference.
