

Annual Enrollment Outreach Meetings Scheduled (For Medicare Retirees)

The State Health Plan will once again be hosting meetings across the state in September and October for our Medicare retirees regarding their 2016 plan options. For a complete list of the dates, times and locations, [click here](#). Please RSVP by calling 800-850-1992, Monday-Friday 8 a.m.-5 p.m.

Premiums for the Medicare Advantage Enhanced Plans will increase for 2016. As a result, all members enrolled in a Medicare Advantage Enhanced Plan will be moved to the Medicare Advantage Base Plan administered by Humana or UnitedHealthcare. You'll be moved to the plan that is with the same company that now administers your Medicare Advantage Enhanced Plan coverage. To remain in your current Medicare Advantage Enhanced Plan, you must enroll in that plan during Annual Enrollment. You will be receiving more information in the mail in the upcoming weeks.

If you are currently enrolled in a Medicare Advantage Base Plan or the Traditional 70/30 Plan and you wish to remain in that plan, no action during Annual Enrollment is required. You are encouraged to attend a meeting to learn more.
