How did you hear about internships? _____

I understand that my preparation for and academic credit internship will include:

- a. Development of a professional resume (preferably reviewed by the Career Center)
- b. Posting of my resume in SeaWork through the Career Center employment database.

I understand that participating in this application process does not guarantee a position. Internship availability depends on a variety of factors, however, involvement in the process improves my readiness and skills regardless of whether a position is found.
