1098 T Tax Information

UNCW distributed 1098-T forms for tax filing purposes on January 31, 2012.

This form contains important tax information that is being furnished to the IRS. Students may view the information provided on their 1098-T, including the mailing address via [SeaNet](#), select tabs: “Student Services & Financial Aid”, “Student Records”, and “Tax Notification.”

The 1098-T for 2011 shows qualified tuition and fees billed, not paid, during the calendar year as well as scholarships or grant aid applied to your account during the year. Adjustments made during 2011 for 2010 qualified tuition and fees, scholarships or grant aid are shown separately (Boxes 4 and 6). Most spring 2012 tuition and fee charges will be reflected on this year’s 1098-T (billed in November 2012). Most spring 2012 scholarships & grants will be included on next year’s 1098-T (posted January 2012).

If you did not receive your tax information your address on the student account was not correct. The mailing address can be viewed on [SeaNet](#). The IRS does not require a copy of the 1098-T.
