North Carolina G.S. 147-86.22 The State Controller, in conjunction with the Office of the Attorney General, has mandated that all state agencies establish policies and procedures to govern techniques for collection of accounts receivable. These techniques shall include use of credit reporting bureaus, judicial remedies authorized by law, and administrative setoff by a reduction of an individual's tax refund pursuant to the Setoff Debt Collection Act, Chapter 105A of the General Statutes, or a reduction of another payment, other than payroll, due from the State to a person to reduce or eliminate an account receivable that the person owes the State. North Carolina G.S. 147-86.23 a State agency shall charge interest at the rate established pursuant to G.S. 105-241.21 on a past-due account receivable from the date the account receivable was due until it is paid. A State agency shall add to a past-due account receivable a late payment penalty of no more than ten percent (10%) of the account receivable. A State agency may waive a late-payment penalty for good cause shown.
