Greetings, new and returning students! Welcome back for another exciting year at UNCW. There is much to celebrate as we kick off the fall, so we hope you are as excited as we are to get you involved and engaged during your time on campus.

The UNCWWelcome programs offer you a wide array of entertaining and engaging social activities, as well as informative events designed to acquaint you with the UNCW community and prepare you for the academic year. This is your opportunity to participate in meaningful and exciting activities and make some new friends as we start the fall semester. We encourage you to check out the comprehensive list of events in Guidebook and in this booklet so you can attend as many events as you are able.

Departments all across UNCW have worked hard to provide a variety of events meant to appeal to a diverse audience. Through the wide range of programs offered, we encourage the full participation of all students, faculty and staff, and have worked to make events and programs accessible to all. Many of the events are specifically targeted to off-campus, nontraditional and transfer students, so look for those words in the event titles and descriptions.

The Campus Activities & Involvement Center (CAIC), on the second floor of the Fisher Student Center in room 2029, is your gateway to entertainment, involvement and leadership on campus. Stop by, or visit our website at www.uncw.edu/activities, and we will help you get connected to campus life!

We also encourage you to check out any of our more than 300 student organizations. There are many options from which to choose, as we believe getting involved is critical to your success as a student at UNCW. Visit www.uncw.edu/studentorgs to see the full listing of our clubs and organizations.

Welcome to UNCW and remember, go out and get involved during UNCWWelcome!

Seahawk Respect Compact

In the pursuit of excellence, UNC Wilmington actively fosters, encourages and promotes inclusiveness, mutual respect, acceptance and open-mindedness among students, faculty, staff and the broader community.

- We **affirm** the dignity of all persons.
- We **promote** the right of every person to participate in the free exchange of thoughts and opinions within a climate of civility and mutual respect.
- We **strive** for openness and mutual understanding to learn from differences in people, ideas and opinions.
- We **foster** an environment of respect for each individual where differences are celebrated by the elimination of prejudice and discrimination through education and interaction with others.

Therefore, we expect members of the campus community to honor these principles as fundamental to our ongoing efforts to increase access to and inclusion in a community that nurtures learning and growth for all.
Events are open and accessible to all students, but individuals who may need additional accommodation should contact kapellj@uncw.edu at least 72 hours prior to the event.

Recurring Event

UNCW Parking & Transportation Bike Registration

Top reasons why you should register your bike:
1. To deter theft. Bike theft is the most common crime at UNCW. A registered bike is less likely to get stolen.
2. To prove it’s yours! In the event that your bicycle goes missing, a registration is the only real way to prove that it belongs to you.
3. To stay connected. If your bicycle is parked somewhere it should not be and needs to be moved or if campus police recovers it, there is no way to contact you if your bike is not registered.
