ARTICULATION AGREEMENT
between
THE UNIVERSITY OF NORTH CAROLINA WILMINGTON
and
CAPE FEAR COMMUNITY COLLEGE

The University of North Carolina Wilmington (UNCW) agrees to accept college transfer coursework completed at Cape Fear Community College (CFCC) in accordance with UNCW’s policy on transfer of credit as published in the UNCW Undergraduate Catalogue and consistent with the North Carolina Comprehensive Articulation Agreement (CAA). CFCC students who complete the Associate of Applied Science (AAS) degree in Health and Fitness Science and comply with the terms and conditions of this agreement, including those stipulated in the addendum to this agreement (attached), will be considered for admission to UNCW for the purpose of pursuing the Bachelor of Arts degree in Healthful Living and Fitness Education in the College of Health and Human Services.

The parties further agree that CFCC Health and Fitness Science courses included in this agreement must meet Southern Association of College and Schools Commission on Colleges (SACSCOC) accreditation guidelines regarding credentials for faculty teaching associate degree courses designed for transfer to a baccalaureate degree or baccalaureate degree courses.

No more than 64 semester hours of academic credit may be transferred from CFCC to UNCW. Transfer students from the AAS degree in Health and Fitness Science must satisfy UNCW’s University Studies and other degree requirements prior to the awarding of the bachelor’s degree unless otherwise specified in this agreement and its addendum.

Admission to the university does not constitute admission to a professional school or specific academic program. Specific admission requirements to a professional school or major are outlined in UNCW’s Undergraduate Catalogue. Students admitted to UNCW under this articulation agreement may lose transfer credit and other benefits particular to this agreement should they change majors. Students may graduate under the provisions of the UNCW Undergraduate Catalogue in effect at the time of their matriculation at UNCW or any subsequent catalogue, providing all graduation requirements are completed within six years of the expiration date of the catalogue chosen.

This agreement shall be effective on August 1, 2020 and may be extended or amended by the mutual agreement of both parties. Further, this agreement may be voided by either party with six months’ prior notice.

In witness whereof, the Chancellor of The University of North Carolina Wilmington and the President of Cape Fear Community College have affixed their signatures below:

Jose V. Sartarelli, Chancellor
University of North Carolina Wilmington

Date: 10/12/2020

James P. Morton, President
Cape Fear Community College

Date: 8-29-20
ADDENDUM
To
The Articulation Agreement Between
The University of North Carolina Wilmington and Cape Fear Community College
Governing the Transfer of Students Earning the Associate of Applied Science Degree
In Health and Fitness Science
And Leading to the Bachelor of Arts Degree in
Healthful Living and Fitness Education (HFE) at the University of North Carolina Wilmington

I. Upon completion of the AAS degree in Health and Fitness Science, students will be assured admission into the HFE degree program. (Note that students will need a 2.7 UNCW GPA to be accepted into the Watson College of Education if they select the K-12 Teacher Licensure Concentration).

II. Successful completion of BIO 165 or BIO 168 with a minimum grade of “C” will substitute for EXS 216 and EXSL 216.

III. Successful completion of BIO 155 with a minimum grade of “C” will substitute for HEA 207.

IV. Successful completion of HEA 130 with a minimum grade of “C” will substitute for HEA 205 (per CAA).

V. Successful completion of HEA 112 with a minimum grade of “C” will substitute for PED 221 (per CAA).

VI. Successful completion of HFS 210 and HFS 212 with a minimum grade of “C” in each course will substitute for PED 390.

VII. Successful completion of GRO 120 with a minimum grade of “C” will substitute for GRN 101 (per CAA).

VIII. Only CFCC students who have completed the AAS degree in Health and Fitness Science are eligible to enter UNCW under the terms of this agreement.

IX. Students must meet all of the admission requirements for the University of North Carolina Wilmington (UNCW), including completion of the application and submission of official transcripts from all institutions attended, in order to be considered for admission. If admitted to UNCW, students entering under this agreement must declare a major of Healthful Living and Fitness Education in order to receive transfer credit for Health and Fitness Science Courses and other benefits of this agreement.
Requirements for a Major in Healthful Living and Fitness Education for the B.A. Degree:

I. Core (43 hours)

- ATR 220 - Functional and Structural Kinesiology
