And Central Carolina Community College

The University of North Carolina Wilmington (UNCW) agrees to accept college transfer coursework completed at Central Carolina Community College in accordance with UNCW's policy on transfer of credit as published in the UNCW Undergraduate Catalogue and consistent with the North Carolina Comprehensive Articulation Agreement (CAA). Central Carolina Community College Health and Fitness Science students who complete the Associate of Applied Science (AAS) degree in Health and Fitness Science and comply with the terms and conditions of this agreement, including those stipulated in the addendum to this agreement (attached), will be considered for admission to UNCW for the purpose of pursuing the Bachelor of Science degree in Exercise Science in the College of Health and Human Services.

Transfer students from the AAS degree in Health and Fitness Science must satisfy UNCW's University Studies and other degree requirements prior to the awarding of the bachelor’s degree unless otherwise specified in this agreement and its addendum.

Students admitted to UNCW under this articulation agreement may lose transfer credit and other benefits particular to this agreement should they change majors. Students may graduate under the provisions of the UNCW Undergraduate Catalogue in effect at the time of their matriculation at UNCW or any subsequent catalogue, providing all graduation requirements are completed within six years of the expiration date of the catalogue chosen.

This agreement shall be effective on Jan 1, 2015 and may be extended or amended by the mutual agreement of both parties. Further, this agreement may be voided by either party with six months' prior notice.
