ARTICULATION AGREEMENT
between
THE UNIVERSITY OF NORTH CAROLINA WILMINGTON
and
CAPE FEAR COMMUNITY COLLEGE

The University of North Carolina Wilmington (UNCW) agrees to accept college transfer coursework completed at Cape Fear Community College (CFCC) in accordance with UNCW's policy on transfer of credit as published in the UNCW Undergraduate Catalogue and consistent with the North Carolina Comprehensive Articulation Agreement (CAA). CFCC students who complete the Associate of Applied Science (AAS) degree in Human Services Technology (HSE) and comply with the terms and conditions of this agreement, including those stipulated in the addendum to this agreement (attached), will receive automatic admission into the Bachelors of Social Work (BSW) degree. This automatic admission is subject to Admissions Office review and compliance with all applicable UNCW requirements for pursuing the BSW in the College of Health and Human Services.

The parties further agree that CFCC HSE courses included in this agreement must meet Southern Association of College and Schools Commission on Colleges (SACSCOC) accreditation guidelines regarding credentials for faculty teaching associate degree courses designed for transfer to a baccalaureate degree or baccalaureate degree courses.

No more than 64 semester hours of academic credit may be transferred from a community college to UNCW. Transfer students from the AAS degree in HSE must satisfy UNCW's University Studies and other degree requirements prior to the awarding of the bachelor's degree unless otherwise specified in this agreement and its addendum.

Specific admission requirements to UNCW's BSW program are outlined in UNCW's Undergraduate Catalogue and are also presented in the addendum below. Students admitted to UNCW's BSW program under this articulation agreement are not guaranteed acceptance into any other program or major. Such a change would require consultation with advisors and may result in delayed graduation. Students may graduate under the provisions of the UNCW Undergraduate Catalogue in effect at the time of their matriculation at UNCW or any subsequent catalogue, providing all graduation requirements are completed within six years of the expiration date of the catalogue chosen. In all cases, students must comply with the "Residency Requirement" related to academic credits required to earn their degree.

This agreement is effective on June 1, 2022 through June 1, 2027 and may be extended or amended by the mutual agreement of both parties. Further, either party with six months prior written notice may void this agreement.

In witness whereof, the Chancellor of The University of North Carolina Wilmington and the President of Cape Fear Community College have affixed their signatures below:
