- Clinical Research admits up to 60 students once per year. In order to follow this plan, students must apply spring semester second year and be admitted. Students may only have one prerequisite course left prior to starting their Clinical Research classes.

- Students should seek academic advising to determine the best courses and sequence to meet their educational goals and degree requirements.
- Following the Pathway to Degree does not guarantee admission to UNCW or guarantee an AA degree or BA degree will be conferred.
- Please refer to University of North Carolina Wilmington Admissions for more information on admission to UNCW and the transfer of credits to UNCW: <https://uncw.edu/admissions/trreqs.html>
