- Students should seek academic advising to determine the best courses and sequence to meet their educational goals and degree requirements.
- Following the Pathway to Degree does not guarantee admission to UNCW or guarantee an AA degree or BA degree will be conferred.
- Please refer to University of North Carolina Wilmington Admissions for more information on admission to UNCW and the transfer of credits to UNCW: <https://uncw.edu/admissions/trreqs.html>
- As students navigate the program, the number of hours in local schools increases with the final semester including a full semester long internship in a local school.
- All students completing the program must pass the EdTPA assessment in order to be recommended for licensure in North Carolina.
- The program strongly recommends taking the foundations of reading exam (NCEL) at the end of the second semester of the junior year and the math licensure exam (Praxis or NCEL) at the end of the first semester of senior year.
