North Carolina Community College classes are listed below in bold with (AA Requirement Sections). The UNCW degree requirements fulfilled listed next to the classes.

The University of North Carolina at Wilmington **strongly recommends** students complete their Associate of Arts degree prior to transferring to UNCW. Pathways are structured for students who have completed all requirements for their Associate's degree and qualify for the CAA. It is also recommended that transfer students complete the Foreign Language Requirements before transferring.

**All middle-grades majors must select a 24-hour concentration field in addition to an 18-hour teaching field. Areas for both include: Language Arts, Social Studies, Math and Science.**
