Once a Seahawk,
Always a Seahawk

The Fisher Memorial Garden, located near the Campus Commons and the Clock Tower, is a special place of reflection and remembrance. The garden, named in memory of Emily Fisher by her brother Herbert Fisher, his wife Sylvia and their family, is a source of serenity and comfort on our campus.

It is in this special place that we honor the memories of students, faculty and staff whose lives ended during their time at UNCW. We are proud to call them Seahawks, now and always.

We encourage you to consider placing a brick in the Fisher Memorial Garden as a lasting way of memorializing your loved one on a campus very dear to them. A $150 donation to UNCW will cover the costs associated with engraving and installing a memorial brick. Please complete the attached form and send it with your gift to the address provided on the form.

Each year, engraved bricks will be placed in the garden to memorialize Seahawks we have lost during the previous 12 months. The bricks will be dedicated during a ceremonial service for the campus community.

The legacy of the honorees’ lives, of the difference they made on our campus, will live on forever in the hearts and minds of the Seahawk family.

Use this gift of $150 to honor the memory of my loved one in the Fisher Memorial Gardens.

Please contact me about other ways to honor the memory of my loved one at UNCW.
