ACTION ITEM #1: Parking Deck II

- UNCW solicited for Design/Build services in accordance with the prescribed statutes and SCO/SO guidelines (Ref. GS 143-128.1A/1B, GS 143-64.31, GS 143-135.25, GS 143-135.26, 01 NCAC 30D, State Construction Manual).
- We received ten (10) valid proposals; three (3) firms were selected for consideration and interviewed in accordance with appropriate general statutes and guidelines.
- UNCW's Interview Committee consisted of individuals representing Business Affairs – Facilities & Business Services
- Each firm was evaluated on the following factors:
  - Specialized or appropriate expertise in the type of project.
  - Past performance on similar projects.
  - Adequate staff and proposed design or consultant team for the project.
  - Current workload and State projects awarded.
  - Proposed design/build approach for the project including construction team, design team, and consultants.
  - Recent experience with project costs and schedules.
  - Construction administration and project management capabilities.
  - Proximity to and familiarity with the area where the project is located.
  - Record of successfully completed projects without major legal or technical problems.
  - Other factors which may be appropriate for the project.
- The committee reached a prioritized consensus as follows:

ACTION ITEM #1: The University is requesting Board of Trustee approval of the prioritized order of professional design/build firms listed below to lead the Parking Deck II, Design/Build effort. Subsequent to approval, the University will begin fee negotiations with the chosen firm (s) in rank order until acceptable contract terms are reached.
