# Annual Security Report

## *An institutional responsibility*

- Prescribed by federal regulation
- Involves offices and departments across campus
- Institutional policies
- Crime statistics for calendar years 2013, 2012, and 2011
- Notification to current & prospective students & employees
- Statistics submitted to the U.S. Dept. of Education
- New requirements for 2014

The 2014 Campus Crime and Security Report for the University of North Carolina Wilmington includes statistics for the 2013 calendar year and the two previous years, related to reports of certain crimes that occurred on campus, in certain off-campus buildings owned or controlled by UNCW, and public property within or immediately adjacent to and accessible from the campus. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, sexual assault, crime prevention, the reporting of crimes and other matters. As required by federal regulation, this report is available and may be accessed at: [www.uncw.edu/police/documents/crime.pdf](http://www.uncw.edu/police/documents/crime.pdf)

# New for 2014 ASR

Offense	2013	2012	2011
Domestic Violence	0	0	0
Dating Violence	0	0	0
Stalking	6	0	0

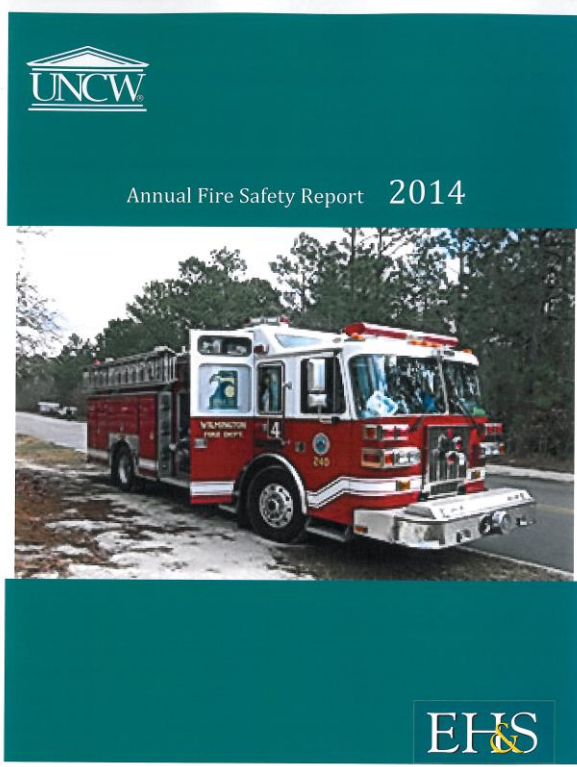

Updated policy statements concerning these offenses, including information about prevention, awareness, and training programs for students and employees.

The 2015 ASR will likely expand on these offenses and reporting activities.

# Annual Fire Safety Report

- Prepared by Environmental Health & Safety
- Applies to residence halls only
- Requires reporting of building construction, fire protection systems, drills, regulations and training, improvements as well as actual fires
- Major accomplishments:
  - Revised Health & Safety Inspection protocols to ensure uniformity and cover highest risks
  - Targeted cooking education programs
  - Increased fire safety education significantly in residence halls

<http://uncw.edu/ehs/documents/AnnualFireSafetyReport.pdf>

# 2014 Fire Safety Log

- Reflects all fire incidents involving injury, death, or property damage or flame outside its intended container
- Two reportable fires – both in kitchen areas
  - Grease fire, Seahawk Village Building 2
  - Plastic container left on stove, University Apartment A
- Cooking alarms accounted for more than 62% of all nuisance alarms in residential housing.
- Secondary causes were personal grooming-related, such as shower steam, blow dryers, and hairspray.

# Summary

- Broad and complex reporting requirements
- Safety benefits from strong campus collaborations
- Low rates of crime
- Strengthened training and response with WFD
- Monitoring for trends
