

UNIVERSITY of NORTH CAROLINA WILMINGTON

**Board of Trustees**

**Recommendation for Action**

**[November 20, 2014]**

**Recommendation: Approval of “Geological Garden”**

The Geological Garden will be donated by Dr. Roger Shew as a gift in place and located adjacent to DeLoach Hall. The Geological Garden will be used by the Geology Department for instructional purposes and will provide a decorative and functional amenity.

At this time, the University is asking approval from the Board of Trustees to proceed with the installation of the Geological Garden in an improved landscaped area to the south of DeLoach Hall.
