Dr. Nathaniel Grove, October 26, 2017, Educational Program and Planning Committee, UNCW BOT
Senate Leadership 2017-18

President, Stephen Meinhold, Public and International Affairs
Vice President, Nathaniel Grove, Chemistry and Biochemistry
Secretary, Carol Pilgrim, Psychology

At-Large Steering
Candace Ashton, Health and Applied Human Sciences
Carolyn Jones, Nursing
George Schell, Information Systems and Operations Management
Mark Spaulding, History
Current Senate Priorities

• Review and update **Teaching Evaluation** section of Faculty Handbook
• Monitor and adjust as needed University Studies (including recent motions passed reducing the number of required hours for the Writing Intensive and Information Literacy competencies)
• Continue partnering with Student Government Association to express concerns about the need for a new/significant expansion of Library
