"I can't thank you enough for the sheer excitement of what this grant means for me. Because of UNCW's altruism, I will be able to piece my life back together after Florence. When everything else seemed to fail, UNCW had my back- and that is something I will feel lifelong gratitude for."

“I cannot express how grateful I am for not only this grant, but the impeccable character UNCW has shown. I appreciate all of the resources UNCW has offered to help assist students. I know that everyone involved must be exhausted, but the efforts can be seen by everyone. I could not be more proud to be a Seahawk and cannot thank everyone enough for all the help.”
