Mission Statement

Proposed UNC Wilmington Mission Statement

The University of North Carolina Wilmington, the state’s coastal university, is dedicated to the integration of teaching and mentoring with research and service. Our commitment to student engagement, creative inquiry, critical thinking, thoughtful expression, and responsible citizenship is expressed in our baccalaureate and masters’ programs, as well as doctoral programs in areas of expertise that serve state needs. Our culture reflects our values of diversity and globalization, ethics and integrity, and excellence and innovation.
