

<p><b>UNCW GRADUATE SURVEY, May 2001-Dec 2009.</b> This survey is conducted primarily by telephone by the Career Center staff approximately five months after each spring, summer and fall graduation. This data represents all responses gathered for all graduates from May 2001 through December 2009. NOTE: Students can select multiple responses to describe their status (i.e. Employed and Seeking Employment, etc.). Therefore the percent reported in each category is a percent of all Total Combined Responses. The Percent Response Rate is the number of individual students who responded compared to the number of Total Graduates from those semesters.</p>
