

UNCW GRADUATE SURVEY: May 2010 -- May 2011

This report presents data gathered by the staff of the UNCW Career Center from UNCW graduates in the classes of May, July & December 2010 and May 2011. Each class was surveyed approximately five months after their graduation, so this report illustrates their first destinations.

NOTE: Graduates may select multiple responses (i.e. Employed and Seeking Employment, etc.), so percentages may total over 100.

| Academic Major | College | Employed | Seeking Employment | Attending Grad School | Seeking Admission | Other | Total Respondents | Total Graduates | Percent Response |
