WHAT DO YOU SEE?
This is a stump of a pine tree. Maybe you have a tree stump in your yard? If not, you can use this picture as a guide or another picture you find online.

Draw a picture of what you imagine this tree looked liked. Be sure to include animals, nests, cones, etc. Make sure you color it!
Now that you have completed your drawing and colored it, write around or underneath your drawing 20 ways that trees are useful in our world.
