**WHAT DO NURSE EDUCATORS DO?**

The Master of Science in Nursing Nurse Educator Program is accelerated, affordable and the majority of the coursework is offered online. Students complete the program with a preceptor on site. At UNCW, our main focus is making sure you succeed. With the instruction and mentorship of our faculty—who are experienced nurse educators—you will acquire the necessary tools and knowledge to successfully teach a new generation of nurses and staff.

**DIVERSE STUDENTS**

Students come from diverse health care settings to learn the basics of nursing education to prepare them for future teaching-learning situations.

**ACCREDITATION**

Our program is accredited by the Commission on Collegiate Nursing Education (CCNE).

**EMPLOYMENT OPPORTUNITIES**

Our program will prepare you for high-demand careers in academic, hospital, home-health or government settings.

Program advantages:

- Majority of coursework is online with an in-person practicum
- Complete in as few as 12 months
- Pay by the course
- CCNE accredited

---

*Our Mission:* The School of Nursing’s goal is to educate nursing and clinical research professionals through excellence in teaching, scholarship, service, and community engagement. Emphasis is placed on educating individuals to improve health outcomes and quality of life in diverse populations.
