

# UNC Online Tutorial

You can register for online classes offered by another UNC campus. Registered courses will be included in your UNCW tuition (more than 6 credit hours needs approval from your academic advisor). For a full-time UNCW student, there are no additional expenses. The school offering the class will set the start/end and add/drop deadlines (which might be different from UNCW's dates). Grades will be automatically sent electronically at the conclusion of the course.

*Exception:* UNC Chapel Hill utilizes this portal for registration only. They will assess their tuition and fees separately, and you will need to request an official transcript at the conclusion of the course.

1) Navigate to the UNC Online's Equivalency Finder (we have selected the campus and level):

<https://online.northcarolina.edu/courses/equivs.php?go=1&q%5Binst%5D=002984&q%5Blvl%5D=2>

2) Select the Subject Area of the UNCW course that you want to take the equivalent of.
