WATSON COLLEGE *of* EDUCATION

**PB Certificate College Teaching**

Student Learning Outcomes

Graduates of the PB Certificate College Teaching program will be expected to have demonstrated knowledge and proficiency in the following areas:

**SLO1:** Develop student outcomes that are realistic, measurable, and valuable.

**SLO2:** Develop curriculum, classroom activities, and learning experiences that enable students to achieve identified learning outcomes.

**SLO3:** Apply effective curriculum models, instructional practices, and delivery formats for post-secondary students in a variety of learning experiences.

**SLO4:** Develop and apply the knowledge and skills of designing, developing, delivering, and evaluating post-secondary learning environments and programs that are accessible for individuals with disabilities and are responsive to learners' diversity and cultural differences.

**SLO5:** Use critical thinking, appropriate technology, and problem solving skills to foster creativity and innovation in post-secondary education.

**SLO6:** Utilize data and findings from assessments and other data sources to modify instructional methods and content to enhance student learning in a variety of learning environments.
