

Student's Taking Doctoral Level Courses

Student's enrolled in master's programs and/or prospective doctoral students may take up to 3 hours of doctoral coursework only if the following conditions are met:

- a) No master's level course equivalent is available within the student's program of study,
- b) Permission is granted by the course instructor,
- c) Permission is granted by the program coordinator(s) for the respective master's and doctoral programs in which the student is enrolled and course if offered, and
- d) Final approval signed off by the department chair.
