Dear MSA and Add-On Licensure Students,

We hope you have had a successful fall semester, and we are looking forward to the spring 2022 semester. We realize that this past year and a half has required a great deal of juggling between work-home-school-self, and we appreciate your ability to be flexible in a time of uncertainty and to communicate effectively with your course instructors.

As you prepare for the spring 2022 semester, I wanted to remind you that the [MSA home page](#) is a source of information. For example, helpful documents, such as our *Record of Progress [planning sheet for MSA](#)* and our *Record of Progress [planning sheet for Add-on Licensure](#)* can be found on our home page.

Here are some important updates and reminders for the upcoming spring semester:

- 1. Registration:** Please check the UNCW Graduate School Calendar [site](#) for the latest on registration and other important information. **Registration opens November 1st at 12:01 am. Our courses are open to any students in the Graduate School, so it is imperative you register ASAP if you are trying to get the courses you need.** To register for courses, check out [this link](#). *Students wishing to register for **distance/extension** courses should take a course ending with the **'-800' designation**, such as EDL 530-800, etc.*
- 2. Available Classes:** Search for Classes at this [Seanet link](#). (Select the Spring '22 semester and "Educational leadership," for example). Please note that you may want to consider taking the following MSA Courses:
 - a. EDL **512** (Legal Issues and Policy)
 - b. EDL **526** (Managerial Leadership)
 - c. EDL **530** (Curriculum)
 - d. EDL **566** (Supervision and Teacher Evaluation)
 - e. EDL **568** (Ed Program Design & Evaluation).
 - f. EDL **571** (Internship II) please contact the same instructor you had for 570, confirm your interest in the course, provide your student 850—number, and whether or not you are "MSA full degree" or "add-on licensure; **however, for students in Dr. Steven Hooker's EDL 570-802** section, please contact Dr. Marsha Carr as she will be your instructor for EDL 571-802.

3. Some **other dates** to remember:
 - a. **MSA (full degree) students.** For **students planning to graduate in Spring 2022**, applications are **due by March 21, 2022**; for this and other finalized dates and details see here:
<http://www.uncw.edu/gradschool/currentstudents/graduation.html>
 - b. **Add-on licensure students.** Prior to the end of May, please contact Ms. Logan McKnight in the Associate Dean's office (at mcknightl@uncw.edu) to complete paperwork for your add-on licensure- this is important and a required step. You do not have to apply to graduate since you are not completing a degree program.

Again, please do not hesitate to contact me if I can be of further assistance, especially if you need to discuss your course sequence. We can communicate via email, phone, or Zoom.
