MSA School Administration & Add-On Licensure

Student Learning Outcomes

Graduates of the MSA School Administration & Add-On Licensure program will be expected to have demonstrated knowledge and proficiency in the following areas:

SLO1: Foster a school vision that respects community values and are guided by empirical evidence of effective practices.

SLO2: Evaluate student and teacher performance consistently and continuously and modify practices as necessary.

SLO3: Support and value the contribution of a school's culture in achieving exemplary student performance.

SLO4: Encourage respectful relationships between and among all of the school's stakeholders and respond to critical needs.

SLO5: Create an effective and innovative learning environment reflecting high quality instruction in a safe and orderly setting.

SLO6: Lead in the selection, evaluation, and implementation of effective curricula.

SLO7: Identify organizational strengths and areas in need of improvement.

SLO8: Make decisions and allocate resources rationally on the basis of evidence and/or demonstrated need.

SLO9: Act with integrity and fairness in dealings with students, faculty, staff, and the larger learning community.
