Faculty: _____ Faculty's Email: _____

Site Information:

Name: _____

Street Address: _____

City _____

State _____ Zip Code: _____

Phone: _____ Fax: _____

Learning Objectives:

A learning objective is stated in terms of what you will learn, rather than what you will do. They detail the learning resources and strategies or what you will do to meet this objective and gain the desired competency. Here you identify the resources (material and human) and the strategies (techniques and tools) you will employ in accomplishing each objective.

Learning Objective 1:

Learning Resources and Strategies:

Learning Objective 2:

Learning Resources and Strategies:

Learning Objective 3:

Learning Resources and Strategies
