Fax ( ) \_\_\_\_\_ E-mail address \_\_\_\_\_

Employer \_\_\_\_\_

Business Address \_\_\_\_\_  
Street and Number

\_\_\_\_\_ City State ZIP

Business Telephone ( ) \_\_\_\_\_

### Professional Information

---

1. Present Position (job title) \_\_\_\_\_

Job Responsibilities (include specific function and level):

\_\_\_\_\_  
\_\_\_\_\_

2. Area of Specialization:

3. List other professional and/or career-related experiences you have had.

4. Indicate your career goal.

\_\_\_\_\_ **Public or Private Schools**  
\_\_\_\_\_ **Government Agencies**  
\_\_\_\_\_ **Medical or Health or Hospitals**  
\_\_\_\_\_ **Business and Industry**

5. Supply a letter regarding your interest in the field of Educational/Instructional Technology, incorporating the following points as the basis for your statement (attach additional pages):

- How you conceptualize educational technology in relation to other areas of work?
- When and why did you decide that you wanted to pursue study in the field of instructional technology?
- Why do you feel you will be successful in an instructional technology program?
- What challenges or limitations do you anticipate in completing this program?
- How will program completion contribute to your career enhancement?

## **Checklist of Skills**

Students enrolled in the MIT program must be computer literate, be proficient in using the Internet or World Wide Web, and have mastered North Carolina essential and advanced technology competencies. Individuals entering the program with limited or no computer experience will be required to take EDN 303 (or equivalent courses) or pass the performance competencies test for EDN 303.

Instructions: Write "yes" or "no" before each of the following statements. A "Yes" indicates you believe that you meet that entry requirement.

### **Area I: Computer Competencies**

\_\_\_\_\_ I possess basic competencies in using word processing software. (Indicate which software you have used.)

\_\_\_\_\_ I possess basic competencies using spreadsheet or data analysis applications. (Indicate which software you have used.)

\_\_\_\_\_ I possess basic competencies using Internet or World Wide Web.

\_\_\_\_\_ I have ability and experience with file management (saving, moving, copying, downloading, etc.)

\_\_\_\_\_ I have used and am familiar with database software. (Indicate which software you have used.)

**Area II: Instructional Design and Development** (your experience in this area is not required)

\_\_\_\_\_ I am familiar with the design and planning of training, curriculum, and/or instruction. Name at least one topic you have planned.

**Area III: Telecommunications**

\_\_\_\_\_ I have a personal computer with a modem and communication software for online access. What brand of computer do you have? What size is the capacity of your hard drive? What speed is your modem? Have you been online? Which communication software do you use? If so, what service have you used?

**Acknowledgement of Program Requirements:**

I understand that the broad requirements for the program include passing each of the study areas, successfully completing a sequence of Colloquium, internship and thesis or portfolio development.

I declare that the above information, to the best of my knowledge, is complete and accurate. I agree to abide by all rules and regulations of University of North Carolina at Wilmington.

Name (please print) \_\_\_\_\_ Soc. Sec. # \_\_\_\_\_
