## Presentation Thought Sheet

When you finish your poster, think about what you want to talk about to the class.

1. What is the main idea of your poster?

---

2. What was your favorite part of making the poster?

---

3. What picture do you want to tell about?

---

4. What detail do you want to point out?

---

5. Can your idea be used globally? How?

---
