This summer, UNCW’s SECU Public Fellowship program has placed 20 students in full-time internships with 15 nonprofits and agencies in neighboring rural counties. Sarah Costa, an SECU student placed at an internship at Countywide CDC, shared her typical day with us. She and her officemates are working on creating advertising packages and soliciting sponsorships for Project LEAD’s Legacy Conference Weekend. In addition to making sponsorship packages, they are creating social media posts, interviewing potential sales people, and researching potential sponsors.
