

MICHAEL D. WENTWORTH *Student Travel Fellowship Application*

Academic Year 2021-22: **Awards granted for domestic travel only, excluding Alaska and Hawaii**

The Wentworth Fellowship, a gift of Mr. Charles F. Green III, was established in 2001 and provides approximately \$24,000 annually to allow a select number of students to travel to sites, in America or abroad, associated with literary authors and texts. The money awarded by the Wentworth fellowships is intended to help cover the cost of travel and lodging, and the fellowships can be anywhere between \$750 and \$1,500, based on the project and destination. It is the goal of the committee to award fellowships to as many deserving applications as possible.
