

Applied Learning Risk Management

- 1) Acting in the scope of employment requirement (not intentional or beyond ordinary negligence)
- 2) Things to consider before sending our students out where they can be harmed and/or do harm to others or to property:
 - A) Location & Entity
 - B) Activity
 - C) Clientele
 - D) Beginning Knowledge Level of the Student
- 3) Four Areas:
 - A) Study Abroad – Please use OIP
 - B) Undergraduate Research:
 - i) outside of faculty directed?
 - ii) IRB; IACUC approval
 - C) Internships

Agreements: limit our responsibilities and work with school’s coordinator

Right to Contract (signature authority) and undesirable clauses (example: Indemnity)

Internships, practicums, student-teaching, fieldwork

Use Career Services
 - D) Service Learning

“Service-Learning”, “Community Service” & “Philanthropy”

Course-embedded service learning

Agreements; Grants (“Partnerships” disfavored term)

Use Office of Student Learning involvement
