ETEAL Applied Learning Activity:

Submit an individual reflection answering the follow questions:
Children's Books to Enhance Nursing Image: An Applied Learning Assignment

Fall 2014

Final Reflection Assignment

- What prompted you to select this particular focus?
- If you were telling a friend about the Reflective Day Project Day, what would you tell him/her?
- How did you conceptualize the primary goal with the writing of this book?
- What were the most memorable thoughts that you left with after the experience of Reflective Day?
- How do you think your reflective project portrayed your goals for this assignment?
- How do you think the project has impacted your image of nursing?
- What did you learn about yourself through this experience?
- What did you learn about your peers by participating in this experience?
- What recommendations do you have for future nursing students in regards to this activity?
