

1. Faculty committees of the Senate

Committee on Student Matters

- i. **Duties.** To provide a liaison between faculty and administration on matters affecting students' academic experience. To monitor performance metrics, financial aid regulations, trends in diversity and inclusion and cost of education. To report on issues related to student organizations, housing, student health benefits, residence matters and policies on student conduct and discipline. To serve as a point of entry for student generated proposals for senate consideration.
- ii. **Membership.** Seven faculty members, two students, one appointed by the Student Government Association and one by the Graduate Student Association. The Vice Chancellor for Academic Affairs, the Vice Chancellor for Student Affairs, deans of the schools and colleges, the Associate Provost for Enrollment Management, the Associate Provost for Diversity and Inclusion, and the Assistant Provost for International Programs, shall be ex officio non-voting members.
