Motion [2012-10-M02]

In its meeting 21 September 2012, the UCC reviewed and acted to recommend Faculty Senate approval for a total of five proposals from CHHS, four proposals for program modifications and one proposal for a new course prefix, as follows:

1. Summaries of the proposed program modifications and links to complete documentation for the proposed program changes follow:
   a. **Clinical Research**
      i. Summary
         1. Change to Co-requisites/Collateral Courses
            1.1. Remove CHM/L 211 Organic Chemistry from curriculum
            1.2. Remove PSY 366 Close Relationships or SOC 345 Sociology of Marriage and Family from curriculum
         2. Expand course options for Pre-requisite Courses
            2.1. Expand options for SOC 105: Introduction to Sociology to include ECN 125 and ECN 221
            2.2. Expand options for BIO/L 240 Human Anatomy and Physiology I and BIO/L 241 Human Anatomy and Physiology II to include EXS 216 Human Anatomy and Physiology I and EXS 217 Human Anatomy and Physiology II.
         3. Expand course options for Co-requisite/Collateral Courses
            3.1. Expand options for CHM 102 General Chemistry II to include one of the following:
               HEA 452: Epidemiology and Concepts of Human Disease;
               STT 305 Statistical Programming;
               ECN 327 Health Economics; PSY 425 Psychometrics
               QMM 384 Data Mining Techniques and Applications
               STT 350 Survey Sampling
               OPS 370 Principles of Operations Management
               ENG 313 Writing about Sciences
               EDN 211 Principles of Leadership
   b. **Physical Education**
      i. Summary:
         a. Remove PSY 223 Life Span Human Development (3)
         b. Add PED 336 Principles of Coaching (3)
         c. Name change, hour change, description change for PED 206 (not a required course)
   c. **Recreation**
      i. Summary
         a. REC 450—changing as degree requirement for all Recreation, Sport Leadership and Tourism Management majors to requirement for those in the public/nonprofit option and minors only
b. REC 476—establishment as new course after three year trial course, adding as a requirement in the core for all Recreation, Sport Leadership and Tourism Management majors.

d. Recreational Therapy
   i. Summary
      a. RTH 386—New course with revised syllabus posted
      b. RTH 387—New course
      c. RTH 384 – New course

2. To authorize the use of CHHS as a new course prefix

For each new course proposed and approved, the UCC agreed that the course reflects the credit hour definition as required by the Curricular Change Policy in the faculty handbook and approved by the Faculty Senate.
