

[Motion 2013_11_M05]

The Faculty Senate Research Committee offers the following motion:

Whereas; The CREST concept may have considerable impacts on the nature of research and scholarly activities throughout UNCW; and

Whereas; Substantial resources are currently being allocated in support of the CREST concept; and

Whereas; Success of the CREST concept depends upon faculty support of and participation in the concept;

Be it resolved that; The Faculty Senate formally requests clarification from the UNCW administration on the process being followed to create an administrative structure for CREST, that any administrative positions be filled through a formal search process with faculty input, and that the Faculty Senate be kept fully informed and be given the opportunity to provide input as this process advances.
