

Loss of Income E-mail to Students

8/19/2021

The American Rescue Plan Act (ARA) Higher Education Emergency Relief Fund (HEERF) III provides emergency funding to universities to assist students in need during the coronavirus pandemic. In 2020, this funding was known as the CARES Act Funding/HEERF I; and in early 2021, this funding was known as Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA)/HEERF II.

Under ARA, UNCW is required to provide direct outreach to families notifying them that they may be able to receive a financial aid adjustment due to the recent unemployment of a family member or independent student, or other circumstances. For unemployment and/or income changes, you may complete [this](#) link. Post cards were mailed out last week with this information.

* Additional program information is available [here](#).
