

Satisfactory Academic Progress Appeal Form: Graduate Students

Student's Name: _____ Student ID# 850_____

Please use this form, along with required supporting documentation, to appeal the suspension of your financial aid eligibility resulting from your failure to meet UNCW's minimum standards for Satisfactory Academic Progress (SAP). Only valid appeals with documented extenuating circumstances will be considered and reviewed by the SAP Appeals Committee.

A valid appeal includes

- this appeal form,
• appeal Statement, and
• all required documentation that supports the extenuating circumstances that have affected your academic progress.

All forms and documentation must be submitted TOGETHER by the appropriate deadline date. Incomplete appeals (without supporting documentation) will not be reviewed and will be automatically denied.

You will be notified in writing via email once an appeal decision has been made. An appeal decision may impose limitations upon your financial aid eligibility and/or future minimum academic standards.

Please note that approval of your SAP Appeal does not guarantee reinstatement of your original financial aid award package.

A copy of the Satisfactory Academic Progress Policy is found on our website: www.uncw.edu/finaidd

Please carefully review the SAP Policy to answer many of the questions you may have. You will also need to meet with your academic advisor if you are below a 3.0 GPA, in order to develop a plan to address your compliance deficiency. The plan must be included with your appeal.

Student's Statement of Appeal must include the following:

- Paragraph 1– List the circumstances that contributed to your academic problems.
- Paragraph 2 – List the changes in your circumstance that will permit you to focus on your future academic performance.
- Paragraph 3 – List the steps you will take to improve your academic performance.

The inclusion of documentation as outlined above does not guarantee that an appeal will be granted. Each case is considered individually. In general, two separate appeals cannot be granted based on the same circumstance. Once all necessary items are received, appeals are considered and a decision will be issued as quickly as possible; generally within ten (10) business days. Please note that appeals can take longer during peak processing times. Submission of an appeal will not prevent your courses from being dropped for non-payment or student accounts from pursuing collection efforts should you have an overdue balance from a current or previous term.
