

Subject line: CRRSAA HEERF II Emergency Grant Refund

UNC Wilmington has received Federal funding to establish the **CRRSAA HEERF II Emergency Relief Fund** which allows for the distribution of grants to eligible students to help cover expenses related to the cost of attendance (i.e. food, housing and utilities, health insurance - including mental health care, transportation, or child care) or for emergency costs that arise due to the coronavirus. We understand this grant may not meet your entire need, but we hope that it is helpful in assisting with expenses. You are not required to provide receipts and if all expenses have been paid for this semester you and your family can consider this a reimbursement.

Refunds for these grants will begin Monday, February 22, 2021. To receive this funding, you must complete the CRRSAA HEERF II Acknowledgement in SeaNet listed at the end of this email. If you haven't done so already, we recommend that you set up direct deposit into your checking account for your refund so you can receive it by the end of the week. To set-up or update the direct deposit, log on to [E-Bill](#) and choose the E-Refund tab at the top of the page. For students who do not sign up for direct deposit, a check will be mailed to the Home/Mailing address on file in the next 7-10 business days. Students should ensure addresses are updated via SeaNet to avoid issues with checks being lost in the mail due to incorrect address.

Please do not respond to this email and monitor your e-bill account for status on your refund.
