For students who completed their FAFSA after June 30, 2021, block grants ranged from \$300-\$900 to prevent overspending of funds. Identified non-citizens received \$1,000 as need could not be evaluated from the FAFSA.

In addition, students with special circumstances could apply for support as determined through an application process ranging up to \$3,000.

7. The University notified students as they were identified as eligible for HEERF III (ARP) Emergency Grants based on registration and need. Prior to block grant disbursements each recipient was notified of award via email.

HEERF III (ARP) Emergency Financial Aid Grant funds were also used to support special circumstances awards in August 2021. Postcards were mailed to registered students on August 2, 2021 and an email communication was sent to all students on August 12, 2021.
