

## Office of Scholarships & Financial Aid

### Greetings!

Happy New Year! With the start of the second half of the academic year, please note the information below.

### PROGRAM REQUIREMENTS

As a reminder, the [SOAR Ambassador Handbook](#) outlines the expectations for all participants. Students should explore the [university master calendar](#), and other campus resources, such as the calendars for the [Career Center](#) and the [Office of Student Leadership and Engagement](#), for opportunities to meet requirements.

### THANK YOU!

A huge "Thank You" to the members of the SOAR Ambassador Organization executive and sub committees for assuming leadership positions this year. These experiences will undoubtedly serve them well as they pursue internships, employment and other opportunities. The 2019-2020 leadership positions will be determined prior to the end of the spring semester.

### KUDOS!

At the end of each semester, the university acknowledges the students named to the Dean's List. The 2018 fall semester recipients of this distinction and eligibility criteria are available [here](#).

The academic requirements for the SOAR Ambassador program are consistent with the eligibility requirements for participation in the [University Honors College](#). Dr. Shawn Bingham recently joined the campus as the new Director and welcomes the opportunity to meet with students regarding the Honors College. He is hosting several interest meetings during the spring semester.

### WHAT'S NEW?

The campus now offers the [Hawk's Harvest Food Pantry](#) located at 4802 College Acres Dr, Wilmington, NC 28402. It is open to all students with a valid UNCW ID. Students may visit on Thursdays, from 3-5 pm beginning January 17.
