University Criteria

All full-time faculty members holding academic rank of professor, associate professor or assistant professor, who meet the criteria established by the UNCW Graduate Council (hereafter called Graduate Council) shall be eligible for membership in the Graduate Faculty. Appropriate exceptions may be approved from time to time, including persons holding the status of adjunct professor.

Persons employed for the first time at UNCW as tenure track faculty, adjunct, or visiting faculty may be granted membership on the Graduate Faculty at the discretion of the graduate dean for an initial appointment not to exceed three years.

Faculty with full-time administrative appointments that include the administration of graduate programs shall be members of the Graduate Faculty in recognition of those duties and responsibilities. Whenever such administrative appointments are concluded, such persons shall be granted a five-year extension of membership, after which each shall be evaluated using the prevailing criteria in the normal five-year cycle, as described in Section 2.
