**Students must have health insurance.**

University regulations require that students must have health insurance. You may be covered under your own insurance plan or your parents’ plan – or you may choose to enroll in the UNC System’s Student Health Insurance Plan, Student Blue from Blue Cross and Blue Shield of North Carolina (BCBSNC). Certain exceptions may apply for those enrolled less than full-time or in other special circumstances; see “When Coverage Begins and Ends” in the Student Blue Benefit Booklet at [bcbsnc.com/uncw](http://bcbsnc.com/uncw) or call 1-888-351-8263 for details.

**Students are automatically charged for Student Blue.**

- If you have creditable health insurance coverage, you must provide proof of your coverage and waive the Student Blue coverage. The charge will then be removed.
- If you’re already covered under another BCBS plan and wish to keep it, you’ll still need to waive the Student Blue coverage, or you will be charged for it.
- If you do not receive an approved waiver, you will be enrolled in Student Blue coverage by default following the September 10 deadline.1
